Hanley Town FC

Versus

AFC Alsager

Message From the Chairman Ross Crawford:

Welcome to the SCSL League Challenge Cup Final. Congratulations and the best of luck to the teams from Hanley Town FC and AFC Alsager who have reached tonight's final.

Congratulations and well done to our three match officials, who have earned their appointments on merit.

We are coming to the end of a difficult season and tonight will hopefully be an occasion where we can start to see that life is beginning to move that bit closer to being normal. We will be having a minute's applause before the start of tonight's Final; to show gratitude to our magnificent NHS, key workers and as a mark of respect for those who have been affected by this terrible pandemic.

We would like to thank the Chairman and everybody connected with Hanley Town FC, for allowing us to use their superb facilities for tonight's Final.

We hope you enjoy the evening and thank you for supporting the teams in tonight's Final.
